

FAQ'S

What if it rains?

No problem, River Lady seating is fully enclosed so she sails rain or shine. No Rain Dates.

Will I Get Sick?

It's very unlikely because the River Lady sails in the calm waters of Barnegat Bay and Toms River. In addition, the River Lady is large and stable, therefore, in most cases, you can hardly feel the boat moving.

Do you have Tables for Two?

No, River Lady features Cabaret style seating and the majority of the tables seat 6 to 8 people.

Do you have accommodations for someone using a wheelchair?

Yes, we have one bathroom which is wheelchair accessible, however, this question can be best answered by speaking directly with the Captain prior to purchasing tickets to discuss your specific needs. With advance notice, every season we have many people using **standard size** wheel chairs aboard with minimal assistance needed by the Captain or crew.
